

Our Mission

Students will "...grow in Wisdom, Stature, and in Favor with God and Man." Luke 2:52

At CCA, students grow:

Spiritually

Each student spends a minimum of five hours weekly in the study of God's word and memorizes up to 36 passages in a year.

Academically

Students receive top awards at regional and state academic competitions through Private School Interscholastic Association (PSIA) and Texas Christian Athletic League (TCAL). Advanced Placement and Dual Credit classes are available, and CCA has a **100% acceptance rate** to higher education institutions.

Socially

God is at work among our students on campus, through missions, and in community service projects.

Physically

Physical education is taught to all classes, and out middle and high school students have the opportunity to participate in our full Athletic Program.

Funding the Gap

Christian education at CCA is 80% supported by tuition and fees. Tuition and fees are set with the priority to keep the cost of Christian education within the reach of everyday families.

Thus, a gap of 20% of our operating budget, or \$20,000, must be raised in order to fully fund the excellent education provided by CCA.

This gap of \$20,000 is the amount that we must raise to fund such things as teacher benefits, financial aid, classroom improvements, programs, and resources.

We now need 67 individuals, families, and businesses to adopt a school day of their choice so that we can fully fund Cornerstone's entire educational program.
