Cornerstone Christian Academy**

Where Students Grow in Wisdom and Stature,
and in Favor with God and Man. Luke 2:52

Our Welcome

Cornerstone Christian Academy welcomes you to our family - a family filled with the love of God and for each other.

Our Standards

We are honored to be accredited by the Southern Association of Colleges and Schools (SACS), the premier accrediting association in the U.S.

Our Academics

Bible is our most important subject. We use the New International Version of the Bible as a textbook. We use a variety of teaching methods to make Bible stories exciting and thought provoking. For Language Arts, we use Journeys, a phonics based, whole language approach designed to facilitate various learning styles. We use the highly acclaimed Saxon curriculum for our Math program. Our Science and Social Studies programs are equally acclaimed with an emphasis on God's role in each subject.

Our Program

Our core curriculum consists of: Bible, Language Arts, Math, Science, and Social Studies. Our enrichment Classes are offered in the afternoon and provide a variety of subjects depending on need or desire. While most of our students attend the full day, half day students may attend either morning or afternoon sessions.

Plan 1: Full Day 8:15 a.m. - 3:15 p.m.

This program includes both core and enrichment classes. Core subjects are Language Arts, Math, Science, and Social Studies. Enrichment courses include Bible, Computer, Spanish, Latin, Art, Music (vocal & instrumental), Public Speaking, and Physical Education.

Plan 2: Core 8:15 a.m. - 1:45 p.m. (Only K through 6th grade)

Students may attend school in the mornings only, studying core subjects and socializing with classmates until dismissal at 1:45 p.m. We can personalize the curriculum if requested; costs may vary according to the desired program.

Plan 3: Enrichment 1:45 p.m. - 3:15 p.m.

In the afternoons, students who are homeschooled can gain access to skills they may not have available at home. Enrichment subjects and social interaction with other students are invaluable to the homeschooler.
