

Our Welcome

Cornerstone Christian Academy welcomes you to our family— a family filled with the love of God and for each other.

Our Standards

We are honored to be accredited by Cognia, formerly Southern Association of Colleges and Schools (SACS), the premier accrediting association in the U.S.

Our Academics

Bible is our most important subject. We use the New International Version of the Bible as a textbook. We use a variety of teaching methods to make Bible stories exciting and thought provoking. For Language Arts, we use Journeys, a phonics based, whole language approach designed to facilitate various learning styles. We use various publishers such as Houghton Mifflin, McGraw Hill, as well as teacher created resources for our math curriculum. Science and Social Studies programs are also based on state adopted curriculum from Houghton Mifflin and McGraw Hill, and supplemented with Biblical perspectives.

Our Program

Our core curriculum consists of: Bible, Language Arts, Math, Science and Social Studies. Our enrichment classes provide a variety of subjects depending on need or desire. While most of our students attend our full day program, having the option to choose alternative programs is what makes Cornerstone unique.

Plan 1 Full Day
8:00a.m.—3:15 p.m.

This program includes both core and enrichment programs. Core subjects are Language Arts, Math, Bible, Science and Social Studies. Enrichment courses may include Technology, Spanish, Art, Music, and Physical Education.

Plan 2 Core
8:00a.m.—1:45p.m.
(Only Kindergarten through 5th Grade)

Students attend school in the mornings studying the core subjects until dismissal at 1:45. We can personalize the curriculum if requested; costs may vary according to the desired program.

Plan 3 Enrichment
1:45p.m. —3:15 p.m.

In the afternoons, students who are homeschooled can gain access to skills they may not have available at home. Enrichment subjects and social interaction with other students are invaluable to the homeschooler.
